UNIVERSITY OF ILLINOIS
College of Agricultural, Consumer and Environmental Sciences

Transfer Information
The information presented in the following section will assist all pre-transfer students, regardless of whether baccalaureate-oriented courses in introductory agricultural, consumer and environmental sciences related areas are offered at their community colleges. If transferable courses in these areas are not available, alternatives are suggested to meet the University of Illinois’ General Education requirements. The University of Illinois admits qualified transfer students who have completed at least one year (two semesters) at another higher education institution. Please note that the criteria for admission vary depending on if a student will have completed less than 60 or 60+ transferable credit hours by the time of enrollment.

Transfer students with 60 or more hours are expected to have successfully completed a transfer course equivalent that satisfies the University of Illinois’ Quantitative Reasoning I (Mathematics) General Education requirement for their intended program of study as a condition of admission. Some programs have other specific courses that must be included in the pre-transfer programs as outlined. Prerequisite courses and requirements necessary for admission are shown in bold, red italics. The college requires a minimum GPA of 2.50 (A=4.00) in most programs to be considered for admission. Several programs require higher minimum grade point averages for consideration; so, applicants should consult the specific major and concentration to which they intend to apply.

Some programs of study offered by the College of ACES require completion of this campus’ CHEM 232, Elementary Organic Chemistry I, as a graduation requirement. The corresponding lab, CHEM 233, Elementary Organic Chemistry Lab I, may be required when applicable. CHEM 232, Elementary Organic Chemistry I, is a one-semester (lecture only) survey course that covers many of the topics of a two-course organic chemistry sequence offered elsewhere. Completion of the first course of a transferable two-course organic chemistry sequence does not satisfy the organic chemistry requirement for those programs of study, unless currently articulated as such (consult https://www.transferology.com for information about course equivalents).

General Education Requirements
All College of ACES students are required to satisfy certain minimum hours in the areas of the natural sciences, humanities, cultural studies, and social sciences. In many curricula, some or all of these requirements are fulfilled with campus-wide general education courses already prescribed by the program. The remainder of the requirements can be fulfilled with other courses chosen from the Campus General Education Course List: https://courses.illinois.edu/gened.

Language Other Than English: There is no longer a language requirement for transfer admission. The College of Agricultural, Consumer and Environmental Sciences requires completion through the third level of one language other than English, either in high school or college, to graduate from the college. It is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

James Scholars Honors
Students that transfer with a 3.5 GPA or higher will be invited to participate in the College of ACES James Scholars program. Students must maintain a 3.4 GPA once on campus along with fulfilling the Honor Program Agreement requirements. More information can be found on our James Scholar website: https://publish.illinois.edu/aces-james-scholars/

CONTACT INFORMATION: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 128 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: (217) 333-3380; FAX: (217) 244-6537; Website: http://academics.aces.illinois.edu/future-students/transfer
ACES Undeclared

The College of Agricultural, Consumer and Environmental Sciences offers a program for students interested in the majors within the College of ACES, but are unsure of which specific major they would like to pursue. Staff in the College of ACES Office of Academic Programs will assist students admitted to ACES Undeclared in selecting a major in the college within 1-2 semesters of their admittance to this program.

Students with a general idea of what major they would like to select in the college will best be served by following that major’s transfer requirement criteria. Students that are truly undecided and are thinking of major options outside of the College of ACES should consider applying to the Division of General Studies.

The minimum GPA for admission consideration into ACES Undeclared is **2.50 (A= 4.00)**.

Please refer to "Transfer Information" and "General Education Requirements" on the first page of the College of Agricultural, Consumer and Environmental Sciences section of the Transfer Handbook.

**Sophomore-level transfer admission highly recommends** completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement:

- CMN 101, Public Speaking
- RHET 105, Writing and Research\(^1\)
- **Language Other than English**\(^2\)
- General Education Requirements\(^3\)
- **Course requirements in major of interest**\(^4\)

**Junior-level transfer admission:**

**ACES Undeclared is not currently available for Junior-level transfer admission. Students at the Junior-level or above should consider applying directly to their major of interest in the College of ACES.**

---

\(^1\) At most institutions, the equivalent requires a two-course English composition sequence.

\(^2\) Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.

\(^3\) For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened) - Please note that some majors in the College of ACES may have specific courses required for gen ed categories. Please refer to the Undergraduate Program of Study: [http://catalog.illinois.edu/undergraduate/](http://catalog.illinois.edu/undergraduate/)

\(^4\) Please refer to the Transfer Handbook requirements for specific majors in ACES to find course recommendations.
Agricultural and Biological Engineering

Students planning to transfer to Agricultural and Biological Engineering should refer to the College of Engineering section of the Transfer Handbook.
Agricultural and Consumer Economics

with concentrations in:

- Agri-Accounting; Agribusiness, Markets and Management;
- Consumer Economics and Finance; Environmental Economics and Policy;
- Farm Management; Finance in Agribusiness; Financial Planning; Policy,
International Trade and Development; Public Policy and Law

The minimum GPA for admission to all programs in the department of ACE is $2.75 \text{(A=4.00)}$. Meeting the minimum may not ensure your admission, since the actual GPA of the yearly applicant pool determines that number. A GPA of 3.0 is recommended to be competitive.

Transfer coursework equivalent to the University of Illinois courses listed in bold, red italics must be successfully completed prior to the desired term of entry.

**Sophomore-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

- **ACE 100, Intro to Applied Microeconomics** or **ECON 102, Microeconomic Principles**
- **MATH 112, Algebra (College Algebra)**, or higher\(^4\)

**Junior-level transfer admission requires** for all concentrations completion of transfer coursework equivalent to the following University of Illinois courses:

- **ACCY 201, Accounting and Accountancy I** or an intro to financial accounting course\(^2\)
- **ACE 100, Intro to Applied Microeconomics** or **ECON 102, Microeconomic Principles**
- **ECON 103, Macroeconomic Principles**
- **MATH 220, Calculus**\(^3\) or **MATH 234, Calculus for Business I**
- AND one of the following:
  - **MATH 124, Finite Mathematics** or **MATH 125, Elementary Linear Algebra** or **MATH 231, Calculus II**\(^3\)

**Junior-level admission requires** completion of additional transfer coursework equivalent to the following University of Illinois course for the following concentrations:

- Agri-Accounting; Agribusiness; Markets and Management; Finance in Agribusiness

  - **ACCY 202, Accounting and Accountancy II** or an intro to managerial accounting course\(^4\)

\(^{1}\) If you place into Math 112, Algebra, please note that this course does not satisfy the University of Illinois’ Quantitative Reasoning I Gen Ed requirement (please refer to page 1 for this website link).

\(^{2}\) The first accounting course of a two-course sequence or the first two accounting courses of a three-course sequence, which is/are articulated as equivalent to the University of Illinois’ ACCY 201 and ACCY 202.

\(^{3}\) For students intending to attend graduate school in an applied economics discipline, completion of a two-course calculus sequence equivalent to MATH 220 and MATH 231 is strongly recommended.

\(^{4}\) The second accounting course of a two-course sequence or the second two accounting courses of a three-course sequence, which is/are articulated as equivalent to the University of Illinois’ ACCY 201 and ACCY 202.

**CONTACT INFORMATION:** ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 128 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: (217) 333-3380; FAX: (217) 244-6537; Website: [http://academics.aces.illinois.edu/future-students/transfer](http://academics.aces.illinois.edu/future-students/transfer)
Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

ACE 161, Microcomputer Applications **or** CS 105, Intro Computing: Non-Tech
CMN 101, Public Speaking
RHET 105, Writing and Research\(^1\)
**Language Other Than English\(^2\)**

\(^1\) At most institutions, the equivalent requires a two-course English composition sequence.
\(^2\) Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.

**CONTACT INFORMATION:** ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 128 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: (217) 333-3380; FAX: (217) 244-6537; Website: [http://academics.aces.illinois.edu/future-students/transfer](http://academics.aces.illinois.edu/future-students/transfer)
Agricultural Leadership, Education, & Communications
with concentrations in:
Agricultural Communication - Advertising; Agricultural Communication - Journalism; Agricultural Education; and Organizational & Community Leadership

The minimum GPA for admission consideration is 2.50 (A=4.00).

Agricultural Communication (Advertising and Journalism)
Organizational & Community Leadership

Sophomore- and Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois course:

RHET 105, Writing and Research

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

ADV 150, Introduction to Advertising
CMN 101, Public Speaking
FSHN 101, The Science of Food and How it Relates to You
JOUR 200, Introduction to Journalism
NRES 100, Fundamentals of Env Sci
PS 101, Intro to US Government and Politics or ACE 100, Intro to Applied Microeconomics
PSYC 100, Intro Psych
STAT 100, Statistics
Language Other than English – General Education requirement (Western and Non-Western)
Cultural Studies – General Education requirement
Humanities – General Education requirement
Natural Science – Life Science requirement: ANSC 207, ANTH 249, CPSC 112, CPSC 113, FSHN 120, IB 103, IB 105, MCB 100/101 (Select one)
Natural Science – Physical Science requirement: ATMS 100, ATMS 120, ATMS 140, CHEM 101, CHEM 102/103, ENVS 101, ESE 117, ESE 118, GEOL 107, PHYS 101 (Select one)
Quantitative Reasoning II – General Education Requirement

Junior-level admission requires completion of additional transfer coursework equivalent to the following University of Illinois course for the Advertising concentration only:

STAT 100, Statistics

(Continued)
Agricultural Education*

Sophomore- and Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois course:

**RHET 105, Writing and Research**

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

- ACE 100, Intro to Applied Microeconomics or ECON 102, Microeconomic Principles
- ANSC 100, Intro to Animal Sciences
- CMN 101, Public Speaking
- CPSC 112, Introduction to Crop Sciences
- EPS 201, Foundations of Education
- EPSY 201, Educational Psychology
- FSHN 101, The Science of Food and How it Relates to You
- HORT 100, Introduction to Horticulture
- MATH 124, Finite Mathematics or MATH 220, Calculus or MATH 234, Calculus for Business I

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **strongly recommended**:

- PSYC 100, Intro Psych
- STAT 100, Statistics
- TSM 100, Technical Systems in Agr

**Language Other than English**

**Cultural Studies** – General Education requirement (Western and Non-Western)

**Humanities** – General Education requirement

**Natural Science – Physical Science** requirement: ATMS 100, ATMS 120, ATMS 140, CHEM 101, CHEM 102/103, ENVS 101, ESE 117, ESE 118, GEOL 107, PHYS 101 (Select one)

*For details regarding teacher license programs, please review information available from the Council on Teacher Education:

[http://www.cote.illinois.edu](http://www.cote.illinois.edu)

---

1 At most institutions, the equivalent requires a two-course English composition sequence.
2 Only recommended for students interested in the Advertising concentration.
3 Only recommended for students interested in the Agricultural Communications (Advertising and Journalism) concentrations.
4 Please refer to Page 1 for the explanation of the Language Other Than English for transfer admission and graduation for all programs of study in the College of ACES.
5 For information about the University of Illinois’ General Education requirements, please refer to: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

**CONTACT INFORMATION:** ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 128 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: (217) 333-3380; FAX: (217) 244-6537; Website: [http://academics.aces.illinois.edu/future-students/transfer](http://academics.aces.illinois.edu/future-students/transfer)

- 7 -
Animal Sciences
with concentrations in:
Companion Animal and Equine Sciences; Food Animal Production and Management; Science, Pre-Veterinary and Medical

The minimum GPA for admission consideration is 2.50 (A=4.00); however, 2.75 or above is preferred. The minimum GPA is not an indicator of success in the animal science curriculum. If interested in pursuing veterinarian school after the bachelors in animal science, please refer to the pre-professionals transfer handbook.

Transfer coursework equivalent to the University of Illinois courses listed in bold, red italics must be successfully completed prior to the desired term of entry.

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

- CHEM 102, General Chemistry I
- CHEM 103, General Chemistry Lab I or CHEM 101, Introductory Chemistry
- MATH 112, Algebra or higher

Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

- CHEM 102, General Chemistry I
- CHEM 103, General Chemistry Lab I
- CHEM 104, General Chemistry II
- CHEM 105, General Chemistry Lab II
- MATH 220, Calculus or MATH 234, Calculus for Business I

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- ACE 100, Intro to Applied Microeconomics or ECON 102, Microeconomic Principles
- ANSC 100, Intro to Animal Sciences
- CMN 101, Public Speaking
- MCB 100, Introductory Microbiology and MCB 101, Intro Microbiology Laboratory
- RHET 105, Writing and Research
- STAT 100, Statistics
- Language Other Than English

1 If you place into MATH 112, Algebra, please note that this course does not satisfy the University of Illinois' Quantitative Reasoning I Gen Ed requirement (please refer to page 1 for this website link).

2 At most institutions, the equivalent requires a two-course English composition sequence.

3 Please refer to Page 1 for the explanation of the Language Other Than English for transfer admission and graduation for all programs of study in the College of ACES.

CONTACT INFORMATION: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 128 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: (217) 333-3380; FAX: (217) 244-6537; Website: http://academics.aces.illinois.edu/future-students/transfer
Computer Science and Animal Sciences

A grade point average of **3.67 or higher (A=4.00)** is required for admission, with at least a grade point average of **3.67 or higher (A=4.00)** for the transfer courses equivalent to the required courses listed below. Transfer coursework equivalent to the University of Illinois courses listed in bold, red italics must be successfully completed **prior to** the desired term of entry.

While the Computer Science and Animal Sciences major is open for intercollegiate/interdepartmental transfer, students who are not directly admitted to Computer Science and Animal Sciences must be admitted by the student's sixth term of enrollment, including terms completed at other institutions of post-secondary education. If you have questions about this policy, or the intercollegiate/interdepartmental transfer process, please consult the College of Agricultural, Consumer and Environmental Sciences.

**Sophomore-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

- ANSC 100, Intro to Animal Sciences
- CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
- CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
- CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science
- MATH 220, Calculus
- MATH 231, Calculus II or CS 173, Discrete Structures

**Junior-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

- ANSC 100, Intro to Animal Sciences
- CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
- CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
- CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science
- MATH 220, Calculus
- MATH 231, Calculus II
- CS 173, Discrete Structures
- CS 225, Data Structures

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

- CMN 101, Public Speaking
- RHET 105, Writing and Research
- Language Other than English

---

1 CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science is preferred. If a transferable equivalent is not available, a transferable equivalent to CS 101, Intro Computing: Engrg & Sci, may be substituted.

2 It is highly recommended that an equivalent transfer course to CS 173, Discrete Structures be completed prior to transfer; however, transfer will be considered without completion of an equivalent course.

3 At most institutions, the equivalent requires a two-course English composition sequence.

4 Please refer to Page 1 for the explanation of the Language Other Than English for transfer admission and graduation for all programs of study in the College of ACES.
Computer Science and Crop Sciences

A grade point average of **3.50 or higher (A=4.00)** is required for admission, with at least a grade point average of **3.50 or higher (A=4.00)** for the transfer courses equivalent to the required courses listed below. Transfer coursework equivalent to the University of Illinois courses listed in **bold, red italics** must be successfully completed **prior to** the desired term of entry.

While the Computer Science and Crop Sciences major is open for intercollegiate/interdepartmental transfer, students who are not directly admitted to Computer Science and Crop Sciences must be admitted by the student’s sixth term of enrollment, including terms completed at other institutions of post-secondary education. If you have questions about this policy, or the intercollegiate/interdepartmental transfer process, please consult the College of Agricultural, Consumer and Environmental Sciences.

**Sophomore-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

- **CS 124, Intro to Computer Science I** or **CS 125, Intro to Computer Science**[^1]
- **MATH 220, Calculus**
- **MATH 231, Calculus II** or **CS 173, Discrete Structures**[^2]

**Junior-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

- **CS 124, Intro to Computer Science I** or **CS 125, Intro to Computer Science**[^1]
- **MATH 220, Calculus**
- **MATH 231, Calculus II** or **CS 173, Discrete Structures**[^2]
- **CS 225, Data Structures**

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

- **CS 173, Discrete Structures**[^2]
- **CPSC 112, Introduction to Crop Sciences**
- **CMN 101, Public Speaking**
- **RHET 105, Writing and Research**[^3]
- **Language Other than English**[^4]

[^1]: CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science is preferred. If a transferable equivalent is not available, a transferable equivalent to CS 101, Intro Computing: Engrg & Sci, may be substituted.

[^2]: It is highly recommended that an equivalent transfer course to CS 173, Discrete Structures be completed prior to transfer; however, **transfer will be considered without completion of an equivalent course**.

[^3]: At most institutions, the equivalent requires a two-course English composition sequence.

[^4]: Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.
Crop Sciences  
with concentrations in:  
Agroecology; Biological Sciences; Crop Agribusiness; Crops; Horticultural Food Systems; Plant Biotechnology and Molecular Biology; Plant Protection 

The minimum GPA for admission consideration is 2.50 (A=4.00). Transfer coursework equivalent to the University of Illinois courses listed in bold, red italics must be successfully completed prior to the desired term of entry.

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

**CHEM 101, Introductory Chemistry or an introductory chemistry course with Lab MATH 112, Algebra or higher¹**

Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

**CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I**

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II  
CMN 101, Public Speaking  
CPSC 112, Introduction to Crop Sciences  
MATH 220, Calculus or MATH 234, Calculus for Business I  
RHET 105, Writing and Research²  
Language Other than English³

---

¹ If you place into MATH 112, Algebra, please note that this course does not satisfy the University of Illinois' Quantitative Reasoning I Gen Ed requirement (please refer to page 1 for this website link).

² At most institutions, the equivalent requires a two-course English composition sequence.

³ Please refer to Page 1 for the explanation of the Language Other Than English for transfer admission and graduation for all programs of study in the College of ACES.
Engineering Technology & Management for Agricultural Systems
with concentrations in:
Agricultural Production & Processing; Construction Management;
Digital & Precision Agriculture; Energy & the Environment

The minimum GPA for admission consideration is **2.50 (A=4.00)**.

Transfer coursework equivalent to the University of Illinois courses listed in **bold, red italics** must be successfully completed **prior to** the desired term of entry.

**Sophomore-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

- *CHEM 101, Introductory Chemistry or higher*
- *MATH 112, Algebra or higher*

**Junior-level transfer admission requires** completion of transfer coursework equivalent to one of the following University of Illinois courses:

- *CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I or PHYS 101, College Physics: Mech & Heat*

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

- ACCY 201, Accounting and Accountancy I or an intro to financial accounting course
- ACE 100, Intro to Applied Microeconomics or ECON 102, Microeconomic Principles
- CS 105, Intro Computing: Non-Tech
- CMN 101, Public Speaking
- CPSC 112, Introduction to Crop Sciences
- ECON 202, Economic Statistics
- NRES 201, Introductory Soils
- PHYS 102, College Physics: E&M & Modern or CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
- RHET 105, Writing and Research
- STAT 100, Statistics
- TSM 100, Technical Systems in Agr
- Language Other Than English

*Course is not applicable for all concentrations. Please see [ETMAS catalog page](http://academics.aces.illinois.edu/future-students/transfer) for more details.

---

1 If you place into MATH 112, Algebra, please note that this course does not satisfy the University of Illinois' Quantitative Reasoning I Gen Ed requirement (please refer to page 1 for this website link).

2 The first accounting course of a two-course sequence or the first two accounting courses of a three-course sequence, which is/are articulated as equivalent to the University of Illinois' ACCY 201 and ACCY 202.

3 At most institutions, the equivalent requires a two-course English composition sequence.

4 Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.
Food Science & Human Nutrition
with concentrations in:
Dietetics; Food Science; Hospitality Management; Human Nutrition

Application to Food Science, Dietetics, and Hospitality Management at the Sophomore-level is highly recommended due to sequential courses. Those who enter at the Junior-level may require five semesters total on campus to complete their degree requirements.

Transfer coursework equivalent to the University of Illinois courses listed in bold, red italics must be successfully completed prior to the desired term of entry.

Dietetics and Human Nutrition

The minimum GPA for admission consideration is 3.00 (A=4.00).

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

CHEM 101, Introductory Chemistry or an introductory chemistry course with Lab
MATH 112, Algebra or higher

Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
MATH 220, Calculus or MATH 234, Calculus for Business I

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

CMN 101, Public Speaking
FSHN 101, The Science of Food and How it Relates to You
MCB 100, Introductory Microbiology
MCB 244, Human Anatomy & Physiology I
MCB 246, Human Anatomy & Physiology II
RHET 105, Writing and Research
STAT 100, Statistics
Language Other Than English

(Continued)
Hospitality Management

The minimum GPA for admission consideration is **2.50 (A=4.00)**.

**Sophomore-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

*CHEM 101, Introductory Chemistry* or an introductory chemistry course with *Lab
MATH 112, Algebra or higher*

**Junior-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

*CHEM 101, Introductory Chemistry* or an introductory chemistry course with *lab
MATH 220, Calculus or MATH 234, Calculus for Business I*

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

ACCY 201, Accounting and Accountancy I or an intro to financial accounting course
ACE 100, Intro to Applied Microeconomics or ECON 102, Microeconomic Principles
ACE 161, Microcomputer Applications or CS 105, Intro Computing: Non-Tech
CMN 101, Public Speaking
FSHN 101, The Science of Food and How it Relates to You
FSHN 120, Contemporary Nutrition
MCB 100, Introductory Microbiology and MCB 101, Intro Microbiology Laboratory – strongly recommended
PSYC 100, Intro Psych
RHET 105, Writing and Research
STAT 100, Statistics
Language Other Than English

Food Science

The minimum GPA for admission consideration is **2.50 (A=4.00)**.

**Sophomore-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

*CHEM 102, General Chemistry I* and *CHEM 103, General Chemistry Lab I
MATH 220, Calculus*

**Junior-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

*CHEM 102, General Chemistry I* and *CHEM 103, General Chemistry Lab I
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
MATH 220, Calculus*
Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

- CHEM 232, Elementary Organic Chemistry I – strongly recommended
- CMN 101, Public Speaking
- FSHN 101, The Science of Food and How it Relates to You
- FSHN 120, Contemporary Nutrition
- MCB 100, Introductory Microbiology
- PHYS 101, College Physics: Mech & Heat – strongly recommended
- RHET 105, Writing and Research\(^2\)
- STAT 100, Statistics – strongly recommended
- **Language Other Than English**\(^3\)

---

1. If you place into MATH 112, Algebra, please note that this course does not satisfy the University of Illinois' Quantitative Reasoning I Gen Ed requirement (please refer to page 1 for this website link).
2. At most institutions, the equivalent requires a two-course English composition sequence.
3. Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.
Human Development and Family Studies

The minimum GPA for admission consideration is **2.50 (A=4.00)**.

Transfer coursework equivalent to the University of Illinois courses listed in **bold, red italics** must be successfully completed **prior to** the desired term of entry.

**Sophomore-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois course:

\[ \text{STAT 100, Statistics or PSYC 100, Intro Psych or SOC 100, Introduction to Sociology} \]

**Junior-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

\[ \text{PSYC 100, Intro Psych}\]
\[ \text{STAT 100, Statistics} \]

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

\[ \text{ACE 161, Microcomputer Applications or CS 105, Intro Computing: Non-Tech}\]

---

1 At most institutions, the equivalent requires a two-course English composition sequence.
2 Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.

**CONTACT INFORMATION**: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 128 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: (217) 333-3380; FAX: (217) 244-6537; Website: [http://academics.aces.illinois.edu/future-students/transfer](http://academics.aces.illinois.edu/future-students/transfer)
Metropolitan Food & Environmental Systems

The minimum GPA for admission consideration is \textbf{2.50 (A=4.00)}. Transfer coursework equivalent to the University of Illinois courses listed in \textit{bold, red italics} must be successfully completed \textbf{prior to} the desired term of entry.

\textbf{Sophomore-level transfer admission requires} the completion of equivalent transfer coursework to the following University of Illinois courses:

\begin{itemize}
  \item \textit{STAT 100, Statistics} and \textit{MATH 112, Algebra} or higher\textsuperscript{1}
  \item \textit{CHEM 102, General Chemistry I} and \textit{CHEM 103, General Chemistry Lab I}
  \item One course in \textit{Political Science, Government, Policy, Psychology, or Sociology}
\end{itemize}

\textbf{Junior-level transfer admission requires} the completion of all equivalent transfer coursework listed above for \textbf{Sophomore-level transfer admission} and the following University of Illinois courses:

\begin{itemize}
  \item \textit{MATH 220, Calculus} or \textit{MATH 234, Calculus for Business I}
  \item \textit{CHEM 104, General Chemistry II} and \textit{CHEM 105, General Chemistry Lab II}
  \item \textit{ACE 100, Intro to Applied Microeconomics} or \textit{ECON 102, Microeconomic Principles}
  \item An additional course in \textit{Political Science, Government, Policy, Psychology, or Sociology}
\end{itemize}

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is \textbf{highly recommended}:

\begin{itemize}
  \item Courses in the following areas: Environmental Sciences, Human Nutrition, Plant Biology, Horticulture, Technology
  \item \textit{RHET 105, Writing and Research}\textsuperscript{2}
  \item Six hours of Humanities coursework\textsuperscript{3}
  \item Western Cultural Studies course\textsuperscript{3}
  \item \textbf{Language Other Than English}\textsuperscript{4}
\end{itemize}

\textsuperscript{1} If you place into MATH 112, Algebra, please note that this course does not satisfy the University of Illinois' Quantitative Reasoning I Gen Ed requirement (please refer to page 1 for this website link).

\textsuperscript{2} At most institutions, the equivalent requires a two-course English composition sequence.

\textsuperscript{3} For information about the University of Illinois' General Education requirements, please refer to: https://courses.illinois.edu/gened.

\textsuperscript{4} Please refer to Page 1 for the explanation of the Language Other Than English for transfer admission and graduation for all programs of study in the College of ACES.

Gregory Drive, Urbana, IL 61801; Phone: (217) 333-3380; FAX: (217) 244-6537; Website: http://academics.aces.illinois.edu/future-students/transfer
Natural Resources and Environmental Sciences with concentrations in: Fish, Wildlife and Conservation Biology; Environmental Science and Management; Human Dimensions of the Environment; Ecosystem Stewardship and Restoration Ecology

The minimum GPA for admission consideration is 2.50 (A=4.00).

Transfer coursework equivalent to the University of Illinois courses listed in bold, red italics must be successfully completed prior to the desired term of entry.

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

CHEM 101, Introductory Chemistry or an introductory chemistry course with Lab MATH 112, Algebra or higher

Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
MATH 220, Calculus or MATH 234, Calculus for Business I

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

ACE 100, Intro to Applied Microeconomics or ECON 102, Microeconomic Principles
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II – strongly recommended
CMN 101, Public Speaking
GEOG 103, Earth’s Physical Systems or GEOL 107, Physical Geology
or MCB 100, Introductory Microbiology or PHYS 101, College Physics: Mech & Heat or PHYS 211, University Physics: Mechanics
IB 103, Introduction to Plant Biology – strongly recommended
IB 104, Animal Biology or IB 150, Organismal & Evolutionary Biol and IB 151, Organismal & Evol Biol Lab – strongly recommended
NRES 102, Introduction to NRES
NRES 201, Introductory Soils
RHET 105, Writing and Research
STAT 100, Statistics
Language Other Than English

Plant Biotechnology

The minimum GPA for admission consideration is **2.50 (A=4.00)**. Transfer coursework equivalent to the University of Illinois courses listed in *bold, red italics* must be successfully completed prior to the desired term of entry.

**Sophomore-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

- \textit{CHEM 101, Introductory Chemistry or an introductory chemistry course with Lab \textit{MATH 112, Algebra or higher}^{1}}

**Junior-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

- \textit{CHEM 102, General Chemistry I} and \textit{CHEM 103, General Chemistry Lab I}

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

- CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
- CMN 101, Public Speaking
- CPSC 112, Introduction to Crop Sciences
- MATH 220, Calculus or MATH 234, Calculus for Business I
- RHET 105, Writing and Research\^{2}
- Language Other than English\^{3}
