

UNIVERSITY OF ILLINOIS College of Fine + Applied Arts

The core of most of the degree programs in the College of Fine + Applied Arts consists of studio courses that are sequenced, meaning the first course is a prerequisite for the second, which is a prerequisite for the third, etc. The sequences tend to start in the fall semester. Thus, **for most of the degree programs in the College of Fine + Applied Arts, the application for transfer to Illinois should begin during the first semester of college so students may start their sophomore year at Illinois.**

Students are encouraged to contact the school into which they intend to transfer as early as possible to map out a course plan. Depending on the community college, students may be able to transfer and finish in 2 + 2 years, while others may work best with a 1 + 3 plan. In all cases, finishing required general education courses before transferring is encouraged.

Course pattern requirements for admission should be completed prior to the desired term of entry. A student admitted prior to completing the pattern must complete the pattern at the University of Illinois and will likely spend more time on campus to complete their program.

Performing Arts Talent Reviews

Admission to performing arts programs requires talent submissions - audition, portfolio review and/or interview, in addition to completion of the general education courses required of all FAA transfers with an acceptable transfer **GPA of 2.25 (A=4.00)**. Only the BA in Music and Music + options **do not** require a specific talent submission. Students applying to the BA in Music and Music+ are expected to clearly articulate their major goals and experience in their essay. **The academic qualifications and artistic qualifications of applicants are considered equally and both may affect placement in core courses in the student's major.**

Visual Art Portfolio Reviews

Successful admission to all Art and Design majors requires an evaluation of artistic talent and experience, which is determined through portfolio reviews, in addition to an evaluation of the candidate's academic qualifications. **The academic qualifications and artistic qualifications of applicants are considered equally and both may affect placement in core courses in the student's major.**

Specific information about auditions, portfolio requirements, and interviews is available from each unit. Contact information for each unit is below.

Architecture, landscape architecture and urban planning **do not** require a talent submission.

General Education Requirements

All FAA students must fulfill the University of Illinois General Education requirements prior to graduation. Courses that satisfy these categories are constantly changing. The current list is maintained on the Internet at: <https://courses.illinois.edu/gened/2018/fall>. The following admission requirement must be completed prior to transfer.

Language Requirements: All transfer applicants should have completed either through the second level (two years) of one language other than English in high school or through the second level (2 semesters) of one language other than English in college prior to the desired term of entry.

(Continued)

CONTACT INFORMATION: Katrine Trantham, Assistant Dean for Recruitment and Admissions - University of Illinois, College of Fine + Applied Arts, 210B Architecture Building, 608 E. Lorado Taft, Champaign, IL 61820; Phone: (217) 333-6061 E-mail: trantham@illinois.edu

It is strongly encouraged that transfer applicants complete the **Language Requirement** for graduation from this college prior to the desired term of entry, which is completion through the third level (3 years) in high school or third level (3 semesters) in college of one language other than English. Students majoring in Art History, Musicology and Vocal Performance have additional language requirements for satisfying those degree requirements.

Composition I: Generally, a two-course sequence equivalent to the University of Illinois' RHET 105, Writing and Research or a two-course composition sequence articulated as a UCI 1- - and UCII 1- -.

Quantitative Reasoning I: Architecture, Landscape Architecture and Urban Planning require a specific QR I course equivalent. Students transferring into other majors are free to complete any approved, transferable QR I equivalent course.

Architectural Studies

Website: <http://www.arch.illinois.edu/degrees/bs-arch-studies#section-2>

A five-semester sequence of architectural design is required for this four-year Bachelor of Science in Architectural Studies (BSAS) degree program. Consequently, students should plan to apply for admission after completion of one year at a community college. Several Illinois community colleges have a two-year articulated course agreement in architecture (College of DuPage, Harper College, Illinois Central College, Lewis & Clark Community College and Triton College). There is also a five-year pathway program with Parkland College.

Limited facilities necessitate a quota for the admission of transfer students. **A suggested cumulative GPA of 3.00 (A=4.00) for transfer coursework is usually required to be competitive for admission.**

PLEASE NOTE: Course pattern requirements for admission in *bold, red italics* should be completed by the desired term of entry. In rare instances, a student may be admitted before the course pattern is complete. The student will still be obligated to finish the pattern at the University of Illinois prior to degree certification.

Sophomore-level transfer admission requires completion of equivalent transfer coursework to the following University of Illinois courses and requirement prior to enrollment:

MATH 220, Calculus

MATH 231, Calculus II or PHYS 101, College Physics: Mech & Heat

RHET 105, Writing and Research¹

Language Requirement²

Admission requirements for junior-level transfer:

A student should plan to transfer upon the completion of their freshman year, unless they are attending a community college with two-year course plans with our School of Architecture. If sophomore-level required courses are not completed, junior transfers will most likely need to complete three years of coursework at the University of Illinois. The School of Architecture also has a 2 + 3 pathway with Parkland College.

Completion of equivalent transfer coursework, which satisfies the following University of Illinois' General Education categories³, prior to transfer is **highly recommended**:

Cultural Studies: Non-Western – General Education Requirement

Cultural Studies: U.S. Minority Culture(s) – General Education Requirement

Cultural Studies: Western/Comparative Culture(s) – General Education Requirement

Humanities & the Arts – General Education Requirement

Social & Behavioral Sciences – General Education Requirement

Specific degree requirements for Architectural Studies can be found at the following link:

<http://catalog.illinois.edu/undergraduate/faa/academic-units/arch/#majortext>

¹ At most institutions, the equivalent requires a two-course English composition sequence.

² Please refer to Page 1 for more information about the **Language Requirement** for transfer admission and graduation.

³ Information about the University of Illinois' General Education requirements is located at:

<https://courses.illinois.edu/gened/2018/fall>

CONTACT INFORMATION: Katrine Trantham, Assistant Dean for Recruitment and Admissions - University of Illinois, College of Fine + Applied Arts, 210B Architecture Building, 608 E. Lorado Taft, Champaign, IL 61820; Phone: (217) 333-6061 E-mail: trantham@illinois.edu

Art and Design Majors

Art Education; Art History; Crafts: Metal (Jewelry Design); Graphic Design; Industrial Design; New Media; Painting; Photography; Sculpture; and Studio Art

Art students at the University of Illinois may apply to Art Foundations (considered Art Undecided) or directly into their selected major (Art Education, Art History, Graphic Design, Industrial Design, Metal, New Media, Painting, Photography, Sculpture or Studio Art). Students transferring to the University of Illinois for one of the above art majors will be evaluated for entry to both the Art Foundation program and to a specific major. Those who have completed most of the coursework of the Art Foundation program may be eligible for direct entry to one of the majors. Those who are not ready for entry to a major (due to missing course pattern requirements or because the portfolio indicates the student is not yet ready for entry to a major) will be considered for entry to Art Foundation. **A portfolio is required for entry into any art program, including Art Foundation**, and may affect placement in courses required for the degree.

Application to any BFA/BA art major after the first year is highly recommended because the student will be in sequenced courses for three additional years to complete their degree. The School of Art + Design currently has a 2+2 pathway program in place with Parkland College for the following programs – Art Education, History of Art, Graphic Design, Crafts: Metal (Jewelry Design), New Media, Painting, Photography and Sculpture.

Suggested requirements for admission are a GPA of 3.00 or higher (A=4.00) and a successful portfolio.

Detailed information about portfolio contents and submission guidelines is available at: <http://www.art.illinois.edu/index.php/prospective/academics/admissions/transfer-admissions> OR by contacting the School of Art + Design (217-333-6632).

Additional information for admission to Art Education is on page **5**.

The courses listed below parallel the Art Foundation curriculum in the School of Art + Design at the University of Illinois. The course pattern and General Education requirements for transfer admission in **bold, red italics** should be completed **prior** to the desired term of entry.

RHET 105, Writing and Research¹, Language Requirement², Quantitative Reasoning I³ – (General Education Requirement)

Applicants who *have not* completed a course in each of the required studio categories listed below will be considered for entry to the Art Foundation program. Additionally, an Art History survey class, comparable to University of Illinois' course, **ARTH 110 Introduction to the History of Art and Visual Cultures**, is required.

(Continued)

¹ At most institutions, the equivalent requires a two-course English composition sequence.

² Please refer to Page 1 for more information about the **Language Requirement** for transfer admission and graduation. **Art History** majors will be required to complete additional language study, preferably in French or German, prior to graduation.

³ On <https://www.transferology.com>, coursework that satisfies the University of Illinois' Quantitative Reasoning I General Education requirement is often listed as **UQI 1--**.

CONTACT INFORMATION: Katrine Trantham, Assistant Dean for Recruitment and Admissions - University of Illinois, College of Fine + Applied Arts, 210B Architecture Building, 608 E. Lorado Taft, Champaign, IL 61820; Phone: (217) 333-6061 E-mail: trantham@illinois.edu

Courses listed below serve as examples of the types of courses that would fulfill each of the 4 categories⁴:

2D	3D	4D	Drawing
ARTD 151 — Introduction to Graphic Design	ARTD 101 — Introduction to Industrial Design	ARTS 241 — Image Practice	ARTF 102 — Observational Drawing
ARTS 251 — Beginning Painting	ARTS 201 — Crafts Design	ARTS 243 — Times Arts I	ARTF 104 — Visualization Drawing
ARTD 160 — The Image World	ARTS 280 — Beginning Sculpture	ARTS 244 — Interaction I	ARTF 106 — Expressive Drawing
ARTS 205 — Introduction to Printmaking			

Additional requirements for Art Education Transfers

Minimum requirements for admission are a GPA of 3.00 or higher (A=4.00) and a portfolio.

ISBE Basic Skills Testing Requirement Prior to Student Teaching or Internship

Prior to proceeding to student teaching/internship in an Illinois Educator Preparation Program at the University of Illinois at Urbana-Champaign, prospective candidates must take and pass an Illinois approved test of basic skills. Approved tests consist of the Illinois Test of Academic Proficiency (TAP), ACT, or SAT with approved scores. Previously passed Illinois Test of Basic Skills (096, 300, or 400) may be used to meet this requirement.

For details, please see: http://cote.illinois.edu/certification/documents/act_procedures_for_admission.pdf.

Information on how to register for the test is available at <http://www.il.nesinc.com>. Continuation in the licensure track is also dependent on passing a criminal background check and blood-borne pathogens training. These must be completed the first semester on campus.

Questions regarding this program should be addressed to the contact person listed below at the bottom of this page.

⁴ Transfer credit for all art skills for application toward the degree will be subject to portfolio review. Art course transfer credit (for accreditation) requires 6 contact hours plus 3 hours of outside work per week for 16 weeks for studio art classes with 3 credit hours.

CONTACT INFORMATION: Katrine Trantham, Assistant Dean for Recruitment and Admissions - University of Illinois, College of Fine + Applied Arts, 210B Architecture Building, 608 E. Lorado Taft, Champaign, IL 61820; Phone: (217) 333-6061 E-mail: trantham@illinois.edu

Art Foundation

Undecided majors who have not completed the recommended sequence of courses for admission directly to an art major (**See Page 3**) should apply for admission to the Art Foundation program, which includes courses in drawing, 2D, 3D and 4D practices. Undecided majors will declare their Art + Design major March 1 of their first year of study. Students admitted to the Art Foundation program should anticipate additional semesters of study in sequenced courses to complete the degree of Bachelor of Fine Arts. Students with broad studio art interests may also apply to the Bachelor of Arts in Studio Art. This program can typically be completed in 2+2 years if general education and art foundation course requirements are met prior to admission.

A **portfolio review** is **required** for admission to the Art Foundation program.

Suggested requirements for admission are a GPA of 3.00 or higher (A=4.00) and a successful portfolio review.

PLEASE NOTE: Course pattern requirements for admission in *bold, red italics* should be completed by the desired term of entry. In rare instances, a student may be admitted before the course pattern is complete. The student will still be obligated to finish the pattern at the University of Illinois prior to degree certification.

Sophomore-level transfer admission requires completion of equivalent transfer coursework to the following University of Illinois course and requirements:

***RHET 105, Writing and Research**¹*

***Language Requirement**²*

***Quantitative Reasoning I**³ – General Education Requirement*

Completion of equivalent transfer coursework, which satisfies the following University of Illinois' General Education⁴ categories, prior to transfer is **highly recommended:**

Cultural Studies: Western/Comparative Culture(s) – (General Education Requirement)

Natural Sciences & Technology – (General Education Requirement)

Social & Behavioral Sciences – (General Education Requirement)

¹ At most institutions, the equivalent requires a two-course English composition sequence.

² Please refer to Page 1 for more information about the **Language Requirement** for transfer admission and graduation.

³ On <https://www.transferology.com>, coursework that satisfies the University of Illinois' Quantitative Reasoning I General Education requirement is often listed as **UQI 1--**.

⁴ Information about the University of Illinois' General Education requirements is located at:

<https://courses.illinois.edu/gened/2018/fall>

CONTACT INFORMATION: Katrine Trantham, Assistant Dean for Recruitment and Admissions - University of Illinois, College of Fine + Applied Arts, 210B Architecture Building, 608 E. Lorado Taft, Champaign, IL 61820; Phone: (217) 333-6061 E-mail: trantham@illinois.edu

Computer Science + Music

The Bachelor of Science in Computer Science + Music is a degree program in the College of Fine + Applied Arts. It is a flexible program for students who plan to pursue technical or professional careers in music technology areas requiring a sound grounding in computer science. Students can use the supporting coursework to prepare for employment immediately upon graduation or for pursuing graduate study in a wide variety of fields.

Transfer Requirements:

Students seeking admission to the CS + Music must meet the following criteria:

- A cumulative grade point average of **3.50 or higher (A=4.00)** is required for admission to Computer Science + Music.
- A minimum grade of A- in each Computer Science course taken.
- Applicants must have a demonstrated interest in Music (coursework and extra-curricular activities)

Applicants are considered on a space available basis. For information about the University of Illinois' General Education requirements and courses, please refer to the following web link:

<https://courses.illinois.edu/gened/2018/fall>.

Language Recommendation: There is no longer a language requirement for transfer admission.

Sophomore-level transfer admission requires completion of equivalent transfer coursework in the following University of Illinois courses:

CS 125, Intro to Computer Science 1

MATH 220, Calculus

MATH 231, Calculus II or CS 173, Discrete Structures

Junior-level transfer admission requires completion of all of the **sophomore-level transfer** requirements and equivalent transfer coursework to the following University of Illinois courses:

CS 225, Data Structures

Music courses taken at another institution are reviewed on a case-by-case basis.

Applicants must submit an online portfolio that demonstrates their experience and readiness in Computer Science + Music. All portfolios are submitted online. Detailed directions are provided upon application. To begin compiling your materials, please visit the following link for a portfolio outline:

<https://music.illinois.edu/bachelor-science-computer-science-music>

Transfer credit for all music skills toward any music degree will be subject to audition or placement exam.

CONTACT INFORMATION: Katrine Trantham, Assistant Dean for Recruitment and Admissions - University of Illinois, College of Fine + Applied Arts, 210B Architecture Building, 608 E. Lorado Taft, Champaign, IL 61820; Phone: (217) 333-6061 E-mail: trantham@illinois.edu

Dance

Application after the first year is **highly recommended** due to the sequencing of dance courses in the Bachelor of Fine Arts (BFA) program.

Illinois Dance also offers a Bachelor of Arts (BA) degree, which requires an additional departmental application. Students interested in the BA in Dance should first apply to the BFA in Dance. They should then immediately contact the Dance Department to request the departmental application for the BA in Dance.

An audition is required for admission for both degree programs.

The University of Illinois' Dance curricula sequences begin in the fall semester; consequently, transfers are strongly encouraged to apply for fall enrollment. Dance does currently have a 2+2 pathway program with Parkland College.

Requirements for admission are a GPA of 2.25 (3.00 or higher - Preferred) (A=4.00) and completion of an audition.

Audition requirements for Dance may be found here - <http://dance.illinois.edu/prospective-students/bfa/apply>

CONTACT INFORMATION: Katrine Trantham, Assistant Dean for Recruitment and Admissions - University of Illinois, College of Fine + Applied Arts, 210B Architecture Building, 608 E. Lorado Taft, Champaign, IL 61820; Phone: (217) 333-6061 E-mail: trantham@illinois.edu

Landscape Architecture

Landscape Architecture is a 4-plus-year program of study: 4 years of study, plus a required summer internship.

A cumulative GPA of 2.50 (A=4.00) for transferable courses is usually required to be competitive for admission.

PLEASE NOTE: Course pattern requirements for admission in *bold, red italics* should be completed by the desired term of entry. In rare instances, a student may be admitted before the course pattern is complete. The student will still be obligated to finish the pattern at the University of Illinois prior to degree certification.

Students are **advised** to transfer after one year of study at a regionally accredited, post-secondary institution because of the specific course structure of this program of study.

Sophomore-level transfer admission requires completion of equivalent transfer coursework to the following University of Illinois courses and requirement:

***MATH 112, Algebra and MATH 114, Trigonometry
or MATH 115, Preparation for Calculus or a higher level Mathematics course
RHET 105, Writing and Research¹
Language Requirement²***

Prior completion of equivalent transfer coursework to the courses listed below in **bold** is **highly recommended**:

**GEOG 103, Earth's Physical Systems, GEOL 100, Planet Earth or GEOL 103, Planet Earth (QR II) or IB 105, Environmental Biology
Quantitative Reasoning I** – General Education Requirement

¹ At most institutions, the equivalent requires a two-course English composition sequence.

² Please refer to Page 1 for more information about the **Language Requirement** for transfer admission and graduation.

CONTACT INFORMATION: Katrine Trantham, Assistant Dean for Recruitment and Admissions - University of Illinois, College of Fine + Applied Arts, 210B Architecture Building, 608 E. Lorado Taft, Champaign, IL 61820; Phone: (217) 333-6061 E-mail: trantham@illinois.edu

Music Majors

Bachelor of Arts with a Major in Music (BA); includes options in Music Technology, Musicology, Composition, or Music+

Bachelor of Music (BM) with a major in Jazz Performance; Musicology; Composition-Theory, Open Studies, Instrumental Performance or Vocal Performance

Bachelor of Science (BS) with a major in Computer Science + Music

Bachelor of Musical Arts (BMA) with a major in Lyric Theatre

The information below applies to **all** music majors at the University of Illinois. Additional information for Music Education and CS+Music majors is listed on page **10 and 11, respectively**.

Application after the first year is **highly recommended** because the student will be in sequenced courses for three additional years to complete the degree of Bachelor of Music or Bachelor of Music Education at the University of Illinois. The University of Illinois' Music curricula sequences begin in the fall semester; consequently, transfers are strongly recommended for fall enrollment. Transfer students interested in applying for spring admission should show transcript history of music theory, musicianship and music history.

Minimum requirements for admission are a GPA of 2.25 (3.00 or higher recommended for Music Education; 3.50 or higher required for CS+Music) (A=4.00) and completion of the University application, Music supplement, which may include a successful audition and an audition and/or interview.

Transfer credit for all music skills toward any music degree will be subject to audition or placement exam.

PLEASE NOTE: Course pattern requirements for admission in ***bold, red italics*** should be completed by the desired term of entry. In rare instances, a student may be admitted before the course pattern is complete. The student will still be obligated to finish the pattern at the University of Illinois prior to degree certification.

Sophomore-level transfer admission requires completion of equivalent transfer coursework to the following University of Illinois course and requirements:

General Education Requirement¹

RHET 105, Writing and Research²

Language Requirement³ – General Education Requirement

(Continued)

¹ Completion of at least one transfer course that satisfies one of the following General Education requirements from the following categories: Natural Science and Technology, Quantitative Reasoning I or Social and Behavioral Science.

² At most institutions, the equivalent requires a two-course English composition sequence.

³ Please refer to Page 1 for more information about the **Language Requirement** for transfer admission and graduation.

CONTACT INFORMATION: Katrine Trantham, Assistant Dean for Recruitment and Admissions - University of Illinois, College of Fine + Applied Arts, 210B Architecture Building, 608 E. Lorado Taft, Champaign, IL 61820; Phone: (217) 333-6061 E-mail: trantham@illinois.edu

Admission requirements for Junior-level transfer:

Students should plan to transfer upon the completion of their freshman year, since transfer students will need to complete three years of coursework at the University of Illinois for graduation. Completion of similar coursework or transfer equivalents to the following University of Illinois courses is recommended prior to transfer:

Ensembles⁴

Major Instrument or Voice (not necessary for the BA in Music)⁴

MUS 101, Music Theory and Practice I⁴

MUS 102, Music Theory and Practice II⁴

MUS 107, Musicianship I⁴

MUS 108, Musicianship II⁴

MUS 110, Intro Art Mus: Int'l Perspect

MUS 172, Grp Instr Pno for Mus Maj I⁴

MUS 173, Grp Instr Pno for Mus Maj II⁴

It is recommended that at least four additional General Education requirements be completed (beyond those listed in the *Sophomore-level section*) prior to transfer to Illinois. Students will earn credit for Humanities and Arts upon completion of MUS 313 and MUS 314 at Illinois. Current General Education requirements can be found at the web link:

<https://courses.illinois.edu/gened/2018/fall>

**Additional Requirements for Music Education (BME) Transfers
Concentrations: Instrumental, Choral, General, or Music Technology**

Minimum requirements for admission are a GPA of 3.00 or higher (A=4.00), a successful interview (a phone interview may be arranged for out-of-state students) and an audition.

In addition to the coursework recommended for all Music majors, Music Education transfers are strongly advised to complete a transfer course equivalent to **PSYC 100, Intro Psych**⁵.

ISBE Basic Skills Testing Requirement Prior to Student Teaching or Internship

Prior to proceeding to student teaching/internship in an Illinois Educator Preparation Program at the University of Illinois at Urbana-Champaign, prospective candidates must take and pass an Illinois approved test of basic skills. Approved tests consist of the Illinois Test of Academic Proficiency (TAP), ACT, or SAT with approved scores. Previously passed Illinois Test of Basic Skills (096, 300, or 400) may be used to meet this requirement

For details, please see: http://cote.illinois.edu/certification/documents/act_procedures_for_admission.pdf.

Information on how to register for the test is available at www.icts.nesinc.com. Continuation in the licensure track is dependent on passing a criminal background check and blood-borne pathogens training. These must be completed the first semester on campus.

Questions regarding this program should be addressed to the contact person listed below at the bottom of this page.

⁴ Transfer credit for all music skills toward the degree will be subject to audition or placement exam.

⁵ PSYC 100, Intro Psych, will count as one of two required courses for the Social and Behavioral Sciences requirement.

CONTACT INFORMATION: Katrine Trantham, Assistant Dean for Recruitment and Admissions - University of Illinois, College of Fine + Applied Arts, 210B Architecture Building, 608 E. Lorado Taft, Champaign, IL 61820; Phone: (217) 333-6061 E-mail: trantham@illinois.edu

Theatre

Application after the first year is **highly recommended** because the student will be in sequenced courses for three additional years to complete the degree of Bachelor of Fine Arts in Theatre. The University of Illinois' Theatre curricula sequences begin in the fall semester; consequently, transfers are encouraged to apply for fall enrollment.

Requirements for admission are a GPA of 2.25 (3.00 or higher - Preferred) (A=4.00) and completion of an audition, portfolio or interview.

Talent requirements for the Theatre major may be found here: https://theatre.illinois.edu/?page_id=4736

CONTACT INFORMATION: Katrine Trantham, Assistant Dean for Recruitment and Admissions - University of Illinois, College of Fine + Applied Arts, 210B Architecture Building, 608 E. Lorado Taft, Champaign, IL 61820; Phone: (217) 333-6061 E-mail: trantham@illinois.edu

Urban Planning

A GPA of 2.75 (A=4.00) is recommended for admission. However, competition for admission to this major frequently requires a GPA of **3.00 or higher (A=4.00)**.

PLEASE NOTE: Course pattern requirements for admission in *bold, red italics* should be completed by the desired term of entry. In rare instances, a student may be admitted before the course pattern is complete. The student will still be obligated to finish the pattern at the University of Illinois prior to degree certification.

Sophomore-level transfer admission requires progress toward humanities general education requirements and cultural studies education requirements. In addition, completion of transfer equivalent coursework to the following University of Illinois requirements:

RHET 105, Writing and Research¹
Language Requirement²

Junior-level transfer applicants are recommended to have completed transfer equivalent courses to the following University of Illinois courses and requirements:

ECON 102, Microeconomic Principles

SOC 100, Introduction to Sociology **OR ONE OF:** AAS 100, Intro Asian American Studies; AFRO 100, Intro to African American St; AIS 102, Contemp Issues in Ind Country; GEOG 101, Global Development & Environment; GEOG 104, Social and Cultural Geography; LLS 100, Intro Latina/Latino Studies

STAT 100, Statistics

Humanities General Education Requirements

Cultural Studies General Education Requirements

Natural Sciences and Technology (at least one or both requirements)

Language Requirement²

¹ At most institutions, the equivalent requires a two-course English composition sequence.

² Please refer to page 1 for more information about the **Language Requirement** for transfer admission and graduation.

CONTACT INFORMATION: Katrine Trantham, Assistant Dean for Recruitment and Admissions - University of Illinois, College of Fine + Applied Arts, 210B Architecture Building, 608 E. Lorado Taft, Champaign, IL 61820; Phone: (217) 333-6061 E-mail: trantham@illinois.edu
