### **Transfer Information**

The Bachelor of Social Work program welcomes transfer students from many majors and areas of interest. The program is highly structured in the junior and senior years, and provides course sequencing to support academic success in the profession.

For transfer course information, prospective transfer students should consult the Transferology website (<https://www.transferology.com>), as well as communicate directly with the Undergraduate Affairs Coordinator at the School of Social Work to determine if the substitute coursework is acceptable. If equivalent courses or course substitutions are not available, intended transfer students may need to extend the time to degree completion to satisfy the BSW degree requirements at the University of Illinois.

Transfer students are accepted **for both fall and spring semesters**. Admission to the School of Social Work requires the following:

- A **minimum GPA of 2.50 (A = 4.00)**
- Evidence of strong communication and interpersonal skills
- Evidence of personal attributes that are suitable for the profession of social work

**Please note:** The School of Social Work utilizes a holistic review process which assesses the entire student, i.e., academic record, work and service experience, leadership experience and ability, demonstrated analytical and critical thinking skills, grade point average, and the quality of the personal and professional information offered in the application essay. Ultimately, the criteria for transfer admission to the School of Social Work will be determined by the quality of the application and applicant pool at the time of submission.

## **General Education Requirements**

All School of Social Work students must fulfill the University of Illinois' campus-wide General Education requirements prior to graduation. Courses that satisfy these categories are constantly being added to or deleted from this list of courses, and the current list is maintained on the Internet and is located at the following link: <https://courses.illinois.edu/gened>.

**Note on the Language Requirement: The School of Social Work requires completion through the third level of one language other than English, either in high school or college, to be graduated from the college.** It is **strongly recommended** that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment. Spanish is strongly recommended; approved ASL (American Sign Language) coursework is also acceptable.

## **Field Education**

Field Education, a requirement for graduation, includes a 16-week, 32 hours-a-week internship at an agency or organization within the field of social work. All general education courses and social work courses must be complete before a student can begin their internship. Prospective transfer applicants are encouraged to make significant progress in general education requirements prior to transfer to allow time for social work courses and the Field Education component.

## **James Scholar Requirements**

Students interested and eligible in the James Scholar Program must have at least a 3.5 GPA at their current institution. Students will be able to attend a James Scholar meeting at the beginning of the semester. This information will be distributed via email from the Academic Advisor at the School of Social Work.
